

## Michigan Society of American Foresters- Spring Conference Forests For Fish

March 30-31, 2017

Ramada Inn, Marquette, MI

### Vendor/Sponsor Registration Form

**Purpose:** The U.P. Chapter of the Michigan Society of American Foresters is seeking vendors and sponsors to participate in our Spring Conference. Interested parties may select vendor/sponsor level below. All packages include one or two conference registrations. Please contact us if you have any questions!

**Audience:** The spring MSAF conference has hosted approximately 120 professionals consistently over last few years. This year's attendance is expected to be exceptional given the exciting theme and advertising across SAF, Trout Unlimited, American Fisheries Society, and other Forests for Fish Partners!

*Both spring and fall SAF conferences will focus on "Forests for Fish" in 2017. Forests for Fish is a three-year project to bring together foresters, loggers and fisheries biologists to improve how "Michigan's forests provide abundant clean water and quality fish habitat." The project will develop educational materials for landowners, anglers, and resource professionals on how they can manage forests for clean water and quality fish habitat. Project partners include the DNR Forest Resources Division, DNR Fisheries Division, Michigan Trout Unlimited, Michigan Tree Farm Committee, Michigan Association of Timberman, Michigan Association of Consulting Foresters, and the United States Forest Service. Forests for Fish is funded by the USFS, State and Private Forestry. All partners are equal opportunity employers. The Fall SAF meeting will be October 5-6, 2017 in Grayling.*

### Vendor/Sponsor Level

- Veneer \$500:** Two conference registrations, large sponsor logo on conference flyers and handouts, plus table or booth space to display products. Please email company logo. Alternatively, for fewer or no registrations, sponsorship can be applied to networking breaks, such that your affiliation can sponsor extra beverages or snacks, indicated on agenda, brochure, and promoted during the event – Please *contact us* to discuss options!
- Sawlog \$300:** one conference registration, table display, sponsor logo on conference flyers and handouts, under any larger logos from above category. Please email company logo.
- Pulp \$100:** Is nobody available to attend the conference, but you still want to support a great discussion? Please *Contact Us* to discuss options for sponsorship opportunities or a small display.

**Provide details to indicate what you are looking for in sponsorship (registrations, booth, logo advertising, providing network refreshments, etc.).**
